You can enter your comment or ask a question in both the document and the video presentation. So presenters can get feedback and communicate with the audience.

Tips for Virtual Meetings

1. Go to your quiet, well-lit workspace.
2. Use an ethernet cable to connect to your modem/router to avoid connection instability during your presentation. Wifi can be unreliable and distort your audio and video.
3. Plug in your laptop computer to a power source.
4. Download the latest version of Zoom.
5. Restart your computer or close all unused programs before you access the JUSTEC 2021 Zoom.
